PROFESSIONAL EXPERIENCE

Social Media & Performance Marketing Specialist, Fluxor Marketing & The Hiring | Dec 2025 – Apr 2026

- Planned and executed Meta lead generation campaigns for The Hiring, generating 63 leads from PKR 9,000 ad spend and PKR 520,000 in revenue at 57x ROAS
- Managed a second Meta campaign for The Hiring that generated 62 leads from PKR 20,000 ad spend and PKR 500,000 in revenue at 25x ROAS
- Ran USA-targeted Meta lead generation campaigns to reach relevant prospects and support client acquisition
- Managed USA-focused Meta brand awareness campaigns to build reach, visibility, and audience engagement
- Built and managed content strategy and calendars for Fluxor Marketing and The Hiring across Pakistan and USA audiences
- Produced organic video and static content that generated 80,000+ views across Fluxor Marketing and The Hiring
- Reduced irrelevant recruitment leads from approximately 50 percent to approximately 20 percent through refined targeting and campaign optimization
- Tracked campaign performance and converted results into recommendations for creative testing and budget allocation

Social Media Marketing Specialist, Corevato Solutions | Jul 2025 – Nov 2025

- Executed international brand awareness campaigns reaching 3,934+ users in the USA market through Meta targeting
- Ran A/B testing campaigns reaching 5,134+ users, optimizing CPM and creative performance
- Developed LinkedIn personal branding strategy for client profiles, growing profile engagement and follower count
- Managed multi-platform content calendars, keeping brand messaging consistent across Facebook, Instagram, and LinkedIn

Digital Marketing Executive, Coder Crew | Jul 2023 – Mar 2025

- Launched Instagram growth campaigns that acquired 3,000+ followers at over 200 percent ROI on ad spend
- Built a DM-based Meta sales funnel that generated 16 to 17 confirmed sales within a 3-day campaign window
- Scaled paid campaign reach to 39,000+ users and drove 1,800+ profile visits through optimized ad creative
- Reduced cost-per-lead by 30 percent through iterative creative testing and audience refinement
- Ranked the brand on Google's first page for key service-based keywords, building a weekly inbound lead pipeline from zero
- Grew organic following to 1,200+ across platforms within 4 months through SEO-optimized content strategy

Social Media Marketing Executive, IPPBX / Technotech Solutions | May 2022 – Jun 2023

- Developed international social media strategy targeting the USA market for a call center and telecom brand
- Improved ROAS by 60 percent through campaign restructuring, audience optimization, and creative refinement
- Managed end-to-end campaign operations, including targeting, budget allocation, creative, and performance reporting
- Built brand trust through educational VoIP and PBX content and consistent visual branding on Facebook and LinkedIn

Digital Marketing (Intern to Executive), ZAM Studios | Jul 2021 – May 2022

- Managed social media presence across 5+ platforms for international client accounts
- Reduced cost-per-acquisition by 45 percent on Facebook Ads campaigns through continuous optimization
- Generated B2B leads on LinkedIn with a 60 percent conversion rate through targeted outreach and content strategy

SELECTED CAMPAIGN RESULTS

- PKR 9,000 ad spend generated PKR 520,000 in revenue at 57x ROAS and 63 leads on a Meta lead generation campaign for an IT recruitment client
- PKR 20,000 ad spend generated PKR 500,000 in revenue at 25x ROAS and 62 leads across a 12-day Meta campaign
- Recommended a Meta-to-Google UAC pivot for Trots Tutor (UK EdTech), resulting installs at $0.36 CPC and 26,506 impressions
- Generated more than PKR 1.65 million in total verified revenue through paid campaigns
- Organic content strategy generated 80,000+ total views across Fluxor Marketing
